

Proposition 65 Compliance Declaration

To our valued customer:

DATED: 6 April 2021

Southco is dedicated to serving customers by providing high quality engineered access hardware solutions that meet environmental regulations including Proposition 65 , the Safe Drinking Water, and Toxic Enforcement Act of 1986.

By this we mean as per 25249.5 of Chapter 6.6 added by Proposition 65, 1986 General Election. (Safe Drinking Water and Toxic Enforcement Act of 1986 for Proposition 65 Compliance) No substances from any products of Southco knowingly discharge or release a chemical known to the state to cause cancer or reproductive toxicity into water or onto or into land where such chemical passes or probably will pass into any source of drinking water, notwithstanding any other provision or authorization of law except as provided in Section 25249.9.

Customer requested to refer <https://oehha.ca.gov/proposition-65/law/proposition-65-law-andregulations>

Note :-

- We prepared this letter based on information received from our suppliers.
- **25249.9. Exemptions from Discharge Prohibition :**
No Southco products would fall under Section 25249.7. Enforcement since Southco products are exempted as per 25249.9.(b) Exemptions from Discharge Prohibition.
- **25249.10. Exemptions from Warning Requirement :**
No Southco products would fall under Section 25249.7. Enforcement & subsequent Warning Requirement since Southco products are exempted as per 25249.10 (c) Exemptions from Warning Requirement.
- For substances in Southco products for which OEHHA has not established safe harbor level :
On demand Southco can do exposure analysis for confirm exposure level will not pose a significant risk of cancer or reproductive harm as per Article 7 and Article 8 of Title 27, California Code of Regulations.
- No attempt has been made to verify this information by third party analysis.
- We will update this letter if some new information is brought to our attention.
- We can not guarantee our parts for Proposition 65 Compliance after they have been further processed by our customers, third parties, or stored for a long length of time in uncontrolled environments.
